

PHOSC GALLEY DUTY INSTRUCTIONS

- **Geoff Grover** is our galley manager and requires assistance from volunteers to run the galley efficiently.
- Galley Roster times are **10.30am – 1.00pm** however, any assistance before or after these times is greatly appreciated.
- Galley Duties include cooking, cleaning and assisting Geoff as much as possible. The list of duties is on the wall inside the kitchen.
- Please check with Geoff on the day to see which duties he requires most help with.
- If you are unable to make your rostered day, you are responsible for arranging a swap with another club member (well in advance).
- Please contact the Roster co-ordinator to inform of any changes.

Geoff is also a sailor at the club (in the premium NS14 class 😊) and volunteers his time to ensure that we're all fed & watered.

It would be appreciated if members always check in with Geoff (even if you're not rostered on) to see if he needs any assistance, as he also has to rig his boat and enjoy the day & have a chat just like the rest of us.

THANKS GEOFF

ROSTER CO-ORDINATOR: Sharyn Roberts
